

SAFETY LABELS

As a part of an ongoing effort to provide uniformity in the precautionary labeling practice, Darrah Electric is proud to announce this series of Safety Labels approved by the Resistance Welder Manufacturers' Association.

These upgraded versions have been modified to comply with ANSI recommendations for color, signal word, panel arrangement, graphic and word messages. Materials and construction are recognized by Underwriters Laboratories and the Canadian Standards Association.

Currently available in both English or Spanish versions.

N1141B

Size (in)
7.12" h x 3.75" w
